## Photographs & Video

Photos and Video coverage of the event might be made during the event for possible Media coverage.

The promoters of this event request that the Press, Professional photographers and Cameramen wishing to engage in any video, zoom or close range photography should register their details with the organising team before carrying out any such photography. The event organisers reserve the right to decline entry to any person unable to meet or abide by the organiser's conditions. Such photographers will be issued with the relevant accreditation.

Parents may want to celebrate the achievements of their children by capturing the event through photographs and videos.

If parents or other spectators intend to photograph or film an event, it is advisable that they are made aware that:

- young people and parents are informed that if they have any concerns they can report them to the event organiser;
- concerns regarding inappropriate or intrusive photography are to be reported to the event organiser or official and recorded in the same manner as any child protection concern;
- event organisers reserve the right to stop any spectator from using photographic or video equipment at their own discretion.

The use of Mobile phones (especially for Photographic use) on pool deck is strictly prohibited and can result in the actual phone being confiscated unless the organisers would not have the certainty that if the phone was used to take photos, such photos would have been deleted both on the said device and also from possible Internet cloud storage.

## Data Protection

Personal data will be processed in accordance with the Data Protection Act 2001. Any information will be used by the Organisers for administration purposes and to ensure the physical well-being of the swimmers when participating in the event.

The information will not be disclosed to any third parties unless this occurs with the consent of the parents/guardians or if such data is required by law enforcement or other authorities having a legal right to request the information.

In accordance with the Data Protection Act, the parent and the swimmer are thus entitled to request access to information by submitting a written request to the Event Organiser. They also have the right to request the blocking or erasure of data if this has been processed unlawfully.
